

<b>Aerospace Park Project Profile</b>	
<b>Capital Investment</b>	<b>\$185,000,000</b>
Land & Building	\$35,000,000
Machinery & Equipment	\$150,000,000
<b>Building Size</b>	<b>650,000 square feet</b>
<b>Site Requirement</b>	<b>50 acres</b>
<b>Employees</b>	<b>800 persons</b>
Administrative	200
Production	600
<b>Wages</b>	
Salary Average	\$36,000 – 71,000 / year + 40% benefits package
Hourly Average	\$12.00-34.00 / hour + 25% benefits package
<b>Office Operation</b>	
Shifts / Day	3 shifts
Days / Week	7 days
<b>Utility Requirements</b>	
Electricity	45,000 kilowatt (kW) demand 20 mil kilowatt hour / month usage Dual feed is preferred
Natural Gas	LP is acceptable 250,000 mcf / month usage
Water	Up to 1,000,000 gallons / day flow Municipal system preferred
Sewer	Up to 700,000 gallons / day flow Municipal system preferred
Telecommunications	Fiber Optic infrastructure with dual bi-directional capabilities preferred or equivalent is required
<b>Site Access / Transportation</b>	
Air Access	Site adjacent to a commercial service airport with runway
Transportation	Site within 15 miles of an interstate
