IRS Instructions Regarding 1099 MISC Reporting

IRS Instructions regarding 1099 MISC reporting are posted on the IRS website at: <http://www.irs.gov/instructions/i1099misc/index.html>. Reportable payments include (a) royalties or broker payments in lieu of dividends or tax-exempt interest; (b) rents, services (including parts and materials), prizes and awards, other income payments, medical and health care payments, crop insurance proceeds, cash payments for fish (or other aquatic life) you purchase from anyone engaged in the trade or business of catching fish; (c) any fishing boat proceeds; or (d) gross proceeds paid to an attorney (see below).

Generally, if reportable payments do not fall under Box 1, 2, 3, 6 or 14, use Box 7. Specifically, all payments to physicians and medical corporations must be reported in Box 6. Attorney's fees, including payments to a law firm or other provider of legal services, are reportable in Box 7, except for gross proceeds. Gross proceeds paid to attorneys, under IRC section 6045(f), are reportable in Box 14. These include the total amount paid to an attorney for settlement agreements. These rules apply whether or not the legal services are provided to the payer and whether or not the attorney is exclusive payee (e.g., the attorney's and claimant's names are on one check). However, these rules do not apply to wages paid to attorneys that are reportable on Form W-2.
