*“Without the help that Rx for Oklahoma gave on my prescription costs, my disability check would go 100% to prescriptions with no money for rent, etc.” CDSA Rx for OK Client

*“With Rx for OK helping me, I have been able to not only catch up on my bills, but purchase some very needed diabetic supplies and some personal items that ordinarily I would not be able to afford. Because medication is so expensive, sometime I have gone without food just to pay for medication. This program has been a God send for me. I just want to say Thank-YOU from the bottom of my Heart.
