

HELP OKLAHOMA COUNT!

Census Complete Count

It's essential that all Oklahomans are counted.

Census 2020 is Oklahoma's chance to fully account for its population. The Census is required by the Constitution and counts every resident in the United States every 10 years.

Getting a complete count ensures Oklahoma receives proper funding for community services, infrastructure projects and much more. In 2020, we need everyone living in Oklahoma to be counted once, only once, and in the right place.

We need your help to get a complete count! We invite all members of the community to attend, including faith-based organizations, chambers of commerce, tribes, schools, hospitals, community leaders, non-profits and all residents.
